

Please continue to allow national broadcast service of K-LOVE radio. The music and message I hear on K-LOVE helps me to be a better husband, Dad, worker, and citizen. I believe this effect is common to others and so when multiplied by the thousands of people who hear it, it is going to make it a better and safer community in which to live. This is definitely in the best interest of the public. Who you are and how you behave is contagious. Spreading the message heard on K-LOVE is the best thing we can share with our neighbors.
